Enclosure and Mechanism						
1	608zz Miniature Double Protection Metal Ball Bearings for Skateboarding Roller Inline Skates 8mm x 22mm x 7mm		€10.99	1	Amazon	/
2	M3 Set of Screws Bolts and Nuts and Washers Kit, Bolts Round Head Screws, Cross Head Cylindrical Screw, Machine Screw **(Silver 870 Pieces M3)**		€14.98	1	Amazon	/

Electronics						
3	**Microcontroller** ESP32-S3 DevKitC-1		€22.99	1	Amazon	/

4	**Motor Driver** DRV8871 DC Motor Driver Board Bob Drive Module 3.6A PWM Control Port Driver		€9.99	2	Amazon	MOSFET-based H-bridge with lower power loss (565 mΩ RDS (on)), higher current handling (up to 3.6A peak), wider voltage range (6.5-45V), and built-in protections. This simplifies the design and improves reliability for prolonged operation (thermal shutdown prevents overheating during extended use).
5	**Input Device** **20PCS** 10K 3 Terminal Rotary Potentiometer for 10K Linear Potentiometer with Caps and Washer		€9.99	1	Amazon	/

6.1	DC Motor CHANCS Worm Oriented Drive Motor 370WG 12V DC 375RPM for Range Hood Nesting Machine Intelligent Equipment		€18.99	2	Amazon	Preferred choice for cost-effectiveness. Recommended to use similar motor with high torque and biuilt with better materials for prolonged use.
7	Power Connector GTIWUNG 10 x DC Connector, DC Power Connectors, Barrel Power Jack Adapter 12 V Package includes: **5 Pairs DC 12V Connectors (Male + Female) 5 x Inline Rocker Switch**		€13.99	1	Amazon	/

	12V Power Cable Zolt 36W 12V 3A Universal Power Supply, 12V 1A 2A 3A AC DC Adapter Transformer with 9 DC Plugs for Electronics, 3000 mA Max.		€12.90	2	Amazon	/
	AZ-Delivery 3 x LM2596S LM2596 Step-Down DC-DC Buck Converter Module for 4-40V to 3.3-24V with 3-Digit Digital Display		€11.19	1	Amazon	Required to safely power the entire circuit from a single 12V external adapter (via the DC jack)
		Total cost)	**126.01 EUR**
